*Isn't it good how our God brings people together, blossoms their talents and blends them in harmony for a ministry. Such is the case with the Watson Family. Matthew, Rosemary, and Trista's voices are very harmonious with each other, pleasant to hear, but the greater depths of their music is how the Holy Spirit takes the message found in their songs to the heart of the listener. I found myself very encouraged in the Lord as I reviewed this project. Watson Family keep doing what you are doing with His anointing, and I am sure many people will be touched, blessed and drawn to our Savior. – Kenneth Bishop*
